MEET MARY!

We are proud to introduce the latest addition to our Curran Family: Assistant Principal (AP), Mary Vongsavanh (Vong Sa Von). Here's a little info about our new AP:

She started her career teaching in elementary school for San Diego City Schools in a mainstreamed Deaf/Hard of Hearing school. Then she taught middle school math for Oceanside Unified School District. When she moved to Murrieta, she taught math and multimedia at Thompson Middle School before becoming a Teacher on Special Assignment for technology, a math instructional coach, and a new teacher mentor for K-5. Ms. Vongsavanh's hobbies include spending time with her daughters, reading, traveling, and hiking with her dog, Isys. She is very excited to be a part of the EHC Cougar Family!

Kids, here's a little secret about Ms. Vongsavanh: she's a huge Avengers Geek (and geeks are cool)! So, if you see Ms. Vongsavanh around campus be sure and ask her who her favorite superhero is (and tell her yours). You may have a lot in common.
