Principal Lumsden's Shout Out Corner

I want to give a very special shout out to our counselor Mrs. Ashley Kruger. Mrs. Kruger has made the decision to do the most important job of all which is being a parent fulltime. Zoe, her daughter, is going to appreciate that. I know it was a very difficult decision for her to make. She has been such an important supporter of our students and staff at Curran for many years. Her expertise in the counseling world is very much respected and her work with our Cougars has been instrumental in helping students and staff be successful. Her positive impact on our Cougar Family will continue for many years. She will be greatly missed, but we are all happy for her and her family.

Welcome Back Cougars!

Happy New Year !
