December is Kindness Month

In December we are focusing on promoting kindness at Curran. Everyone can practice kindness. To help our students practice kindness we will have themed spirit days each Friday in December. On Friday, December 4th it is:

Pajama Day – Wake up and be kind to others.

During the week of December 7th all students will be asked to take a survey on acts of kindness at Curran by Erin Shaffer as part of her Girl Scout Gold Award. Last year Erin put up messages of kindness in our bathrooms and wants to know how students are being kind here at Curran. There will be an opt out letter sent on November 30th if you do not want your child to participate.

Counselor Corner

Hello Cougar Family,

For those of you who do not know me, I am Ms. Monica Tyler (School Counselor). I am filling in for Ms. Kruger. I would like to take a few minutes of your time to let you know what is coming for the month of December.

As we enter the season of giving... It is appropriate and no time like the present to show thanks to those who have done acts of kindness. At the beginning of the month of December your child will receive a survey from his or her teacher. We will be asking questions about what kindness means, examples of kindness, and ways to be kind at school (in person or virtually) and at home. Lastly, your child will have an opportunity to nominate someone who has done something kind for them or your family.

There is no time like the present to show kindness to one another. There is nothing more healing and soul fulfilling than showing kindness. Help me to create this special meaning and feeling here at E. Hale Curran.

Ms. Monica Tyler

EHC Counselor
