PROTECT THEIR NOGGINS

California law requires anyone under the age of 18 to wear a bicycle helmet when riding on the streets or sidewalks. This law pertains to anyone riding a bike, scooter, skateboard, and/or roller skates. Here are some of the basic helmet rules:

- Must fit properly.
- Must be fastened correctly.
- Must meet the American Society for Testing and Materials (ASTM) or U.S. Consumer Product Safety Commission (CPSC) safety standards.

Help us keep our Curran Kiddo's safe and make sure your child/children wear a helmet to protect their noggin!!!
