

Hello Early Learning Center Families,

Over the last few months, we have been working hard to create the ideal Early Learning environment for our children and families! We are thrilled to finally share it with all of you! Please find the Open House details below.

- Enjoy a tour of our professional kitchen, staffed by nutrition experts dedicated to meeting the nutritional needs of our little learners! Pizza and snacks will be available!
- As you tour the building, encourage your children to search for acorns! Let us know how many you find and win a prize!
- Teachers and staff have been working hard preparing our children for the move! As you tour the space, you'll see their artwork displayed, which they prepared especially for their new classroom!
- Take a picture at our *The Adventure Begins* photo booth!
- Children will design their very own acorn headband!
- Explore our new, beautiful playgrounds!
