RE: Affidavit of Residency

Dear New MVUSD Parent or Guardian,

The verification of residency documents you have provided to enroll your child in our district show that you live with someone else. Therefore, you are required to submit an Affidavit of Residency as part of your residency verification documentation.

Please know that the safety and wellbeing of our students is the District’s highest priority. The District relies on the information provided on the Affidavit of Residency to accurately track each student’s residency information. For this reason, if any District employee reasonably believes that a parent or guardian has provided false or unreliable evidence of a student’s residency, the District will make reasonable efforts to verify residency, such as a formal investigation including, but not limited to, home visits, reviewing records, interviews, and use of a private investigator.

When completing the Affidavit of Residency, please be sure to read the document carefully. Please be aware that the submission of false information on this affidavit constitutes perjury, which is a crime punishable by fine, imprisonment, or both. If an individual provides false information on the affidavit, the District may refer the matter to the County District Attorney for further action, as appropriate. Furthermore, if the District determines from actual facts that your child does not live at the residence listed on the affidavit, the affidavit will be invalid and your child will be immediately enrolled at his or her school of residence.

Thank in advance for taking the time to read this notification.

Respectfully,

Howard Dimler
