Monarch Military Spotlight

The
Arballo
Family

Marines

Our military spotlight family this week is the Arballo Family; Ryker, Trenton, Jakoby, Lonna and Jake.

Ryker is a student at Lisa J. Mails. His father has served in the United States Marine Corps for almost 20 years. He is currently a Gunnery Sergeant. Their family has lived in Rancho Cucamonga and San Antonio, Texas. Ryker's favorite memory of being a military family is meeting new people when they moved to Texas. The Arballo family would like us to know that, "We are constantly moving and when we aren't... We love to host parties!" Their family motto is "Work hard, play hard!" Thank you, Arballo family, for your service and sacrifice to our country!

Thank You VETERANS

HONORING ALL WHO SERVED

Lisa J. Mails ~Field of Honor~

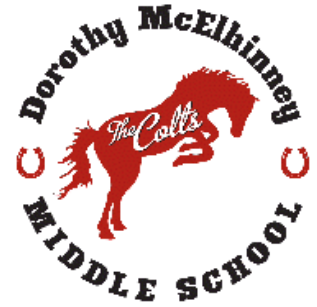

At Lisa J. Mails we love to honor and support our military families. Each year on Veteran's Day, we have our very own Field of Honor to display our utmost appreciation for the service and sacrifice of our military families. Please, click the link below to fill out the form so that we can add a flag in honor of your loved one. These will be on display in our quad November 7-10th. If you have more than one person that you would like to recognize, please re-submit this form for each person. The flags will be given to your child to take home at the conclusion of the week.

Front Loop

Expect a change in traffic flow on *Monday, November 7th & Tuesday, November 8th* when DMMS dismisses at **1:45**. Please do not block the loop prior to this time as it will prevent DMMS traffic flow from being able to move through the loop.

Cell Phone Expectations

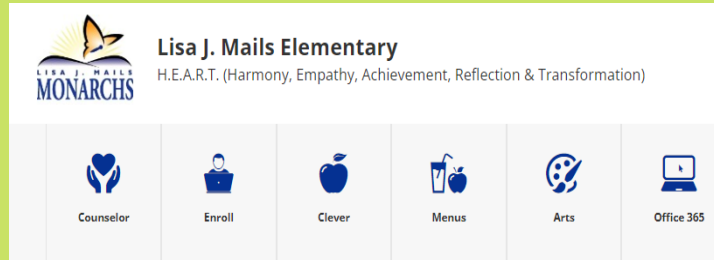

As advertised in our [Community Handbook](#), we strongly discourage elementary students from bringing cell phones and cellular watches to school. If your child brings a cell phone or cellular watch, you must agree to the following conditions:

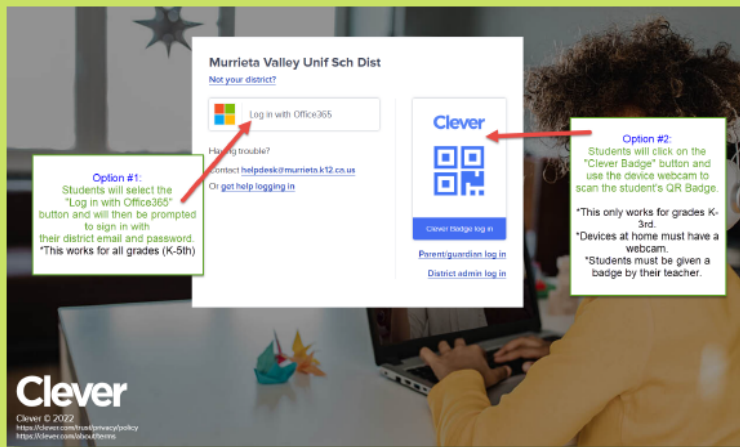

- *Cell phones must be stored in backpacks and left “off” during classroom instruction.*
- *Cellular watches can be used for time purposes only and cellular capabilities should be off (airplane mode on an **iWatch**)*
- *Cell phones and cellular watches may only be used before/after school in the office or the front of the school in an appropriate manner.*
- *The school is not liable for lost, damaged, or stolen cell phones and cellular watches.*
- *Students who do not abide by these rules will have their cell phone/cellular watch confiscated, and privileges revoked. Parents must pick up confiscated cell phones in the office.*

hey, crafty people!

We are planning our first ever Holiday Market in December, and we are looking for makers and crafters (kids and parents) to make things to sell at this gift-shopping opportunity for students.

This is a not-for-profit event with sales/proceeds benefitting our library programs.

The Holiday Market is planned for the week before winter break, in the library, set up like a craft fair with vendor tables.

Items can be simple and the price point should be affordable for kids. We suggest between \$0.25 - a few dollars at the most.

For more information and to sign up to make stuff, please fill out this form [HOLIDAY MARKET MAKER SIGN UP](#)
