Attention all **current TK – 4th** grade parents!

We need your help as we plan for the 22/23 school year. Please complete this short questionnaire by [clicking here](#) if your **current TK – 4th grade LJM student will NOT** be returning to LJM for the 22/23 school year. This may include a transfer away to another school or a move to another community. Please let us know. Your help is appreciated.

Now is the time to purchase your child's school yearbook! **The deadline to order is April 22.** It's also the deadline to do your two FREE custom pages that comes with each yearbook. Our print-on-demand yearbooks must be pre-ordered as we do not have extra yearbooks to sell at the end of the school year. They are 128 full-color pages, filled with memories from your child's year. They are \$28. Order now by [clicking here](#).

What's **Poem in my Pocket** all about? Students bring a poem or come get one from the library on that 4/29. Students will receive a sticker to wear from Mrs. Wallace that says, "I have a poem in my pocket!" Anytime kids see someone with the sticker, they can ask them to share their poem.

Monarch Military Spotlight

The Douangsavanh Family

Our military spotlight family this week is the Douangsavanh family; Leilani, Kyan, Vanessa, Kendrick, Lynda and Hector. Leilani and Kyan are students at Lisa J Mails Elementary. Their dad, Hector, has served in the Army Reserves for 18 years. He is currently a Sergeant First Class and works in the area of Psychological Operations. Leilani and Kyan shared that their best memories as a military family have been observing military ceremonies with their dad. Their dad's longest deployment was twelve months while he was in Afghanistan. The Douangsavanh family motto is, "Be a Good Job Warrior". The family shared that family and friends have been the foundation of support as they have served in the military. Thank you, Douangsavanh family, for your service and sacrifice to our country.

If you would like to be our Military Spotlight Family, please click [here](#) to fill out our questionnaire. Thank you.

DRESS CODE

(LJM Community Handbook 21/22)

Cleanliness, personal appearance, and proper dress habits are important in determining the pattern of school and social conduct, and there is often a correlation between student appearance and behavior. Our dress code is established to teach grooming and hygiene, instill discipline, prevent disruption, avoid safety hazards, and teach respect for authority. **The District prohibits any clothing**

or grooming that in the administrator's judgment may reasonably be expected to cause disruption of or interference with normal school operations.

If an administrator determines that a student's grooming violates the dress code, the student shall be given the opportunity to correct the problem at school with replacement garments or notification to the parents to bring appropriate items to school.

Students will wear clothing, jewelry and accessories which are clean, safe, and healthy, and which allow for participation in an active learning environment.

Not allowed: flip flops, backless/strapless shoes, belts/jewelry with studs or protrusions.

Clothing will maintain socially acceptable standards of modesty in order to avoid causing a disruption to the learning environment.

Not allowed: exposed midriffs, exposed undergarments, and spaghetti straps less than 1" wide, halter tops/strapless tops, excessive make-up, or excessive hair styles that will cause a disruption in the learning environment.

Clothing or other items which can be intimidating to others or is attributed to gang affiliation or puts the wearer in danger will not be allowed. Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed on an ongoing basis.

Sunglasses, winter beanies and hats with bills forward may be worn at school, outdoors only. This includes stylish girl hats. Dew rags are not allowed at any time. For students' safety, bicycle helmets must be worn by students riding bicycles, scooters and skateboards to and from school.

No list of dress and appearance guidelines for students can be written that will anticipate all potential dress and grooming extremes. In the case of questionable dress or grooming that is not specifically covered in the list above, the administration will make the final decision. Appropriate action will be taken at that time and, when necessary, a home contact will be made seeking parental cooperation and assistance.
