Let's finish strong and maintain safety at drop-off and pick-up! **It's important to drive slowly, think of others and maintain your patience.** Please do not release your child from the middle lane of traffic and refrain from driving aggressively. Simple rule following keeps everyone safe. Believe us, we are fortunate to have a large parking lot and surrounding roads that make our school traffic flow smoothly. In the past, it was not this way. Let's all do our part!

We strive to create balanced learning environments and every student placement is carefully considered. Please [click here](#) if you wish to share information about your child's learning profile from your parent perspective. Please refrain from including any teacher names on this form.
