

Project Due: March 18, 2013

3rd Grade Native American Tribe Report

You have selected the tribe _____.

Answer these questions.

1. Where did the tribe live? Where do the people live now? _____
2. What did they eat? _____
3. What did they wear? _____
4. What special ceremonies did they have? _____
5. What kind of homes did they build? _____

Then write sentences telling five interesting facts you find about the tribe you chose. Sentences must be complete, capitalized, and punctuated correctly. Do not copy sentences. Write your own!

1. _____
2. _____
3. _____
4. _____
5. _____

Show where the tribe lived on a map of the United States. Here is an online map you might want to use:
<http://www.nativeamericans.com/AmericanIndianTribeMap.jpg>

Make a museum artifact for your tribe. For example, you could build a model of their home, or make a sample of a tool or instrument they used in the past. You could make doll clothes, weapons, ceremonial utensils, or a diorama. Be prepared to answer questions from our museum visitors.

Use books, magazines, and the website to help you find out all you can about the tribe you have chosen. You may find resources at our 3rd grade website. You will also be able to see student projects from previous years.

You will give a brief oral presentation to share some of the information you learn. Do not read your report to the class. Just tell us about something interesting you learned.

You may use this paper for your report, or you may write or type it on another paper. Reports may be e-mailed to dfuller@murrieta.k12.ca.us. Yes, families are encouraged to help. Working together can be fun!
