This is our final week of *formal* Distance Learning with our curriculum and standards. Thank you for doing the best you can at home and co-teaching. We got through it and we can soon celebrate! I will have another Live-Meeting, but I will have it in a small group (limit of 5). The dates and times will be determined. This way, I can give my full attention to your child.

Don't forget: June 1<sup>st</sup> @ 12 – 3 is 2<sup>nd</sup> Grade's End of Year Pick Up Day. As much as I want to give your child a **BIG HUG** on this day, I will ask that you do it on my behalf since we are practicing physical distancing. It will be an emotional day because I enjoyed having your child in my class and I enjoyed collaborating with you! I will be bagging your child's belongings and will be greeting you at the front loop. The last week of school, I plan on doing fun activities, such as Digital Memory Book, STEM Day, and Father's Day Art.

I'm very proud of you and your child's hard work and dedication! Stay safe and let me know if you need anything else.
