ASSIGNMENTS

Check Canvas for all assignment details and current and most accurate overall grades.

AERIES will be updated each grading period

WORK POLICY

Most work is very manageable and, in many cases, students will usually have a couple of days to complete. Any work that is turned in late will incur a 10% penalty.

If your child is absent, they will have the number of days they are absent to make up work.

ABSENCES AND GRADES

Weekly and daily work will be updated weekly on Canvas. Please check grades regularly and feel free to ask me any questions that you might have about a particular grade.

If your child misses a test or quiz, it is to be expected that he/she make up the quiz before school or at lunch (they can eat during). In most cases, there won't be enough time to make up a test/quiz during class due to instruction.

If you know you are going to be absent beforehand, you should ask me for your make-up work before the absence.

ELECTRONIC DEVICES

Electronic devices should be kept in students' backpacks. Devices should not be out during class, unless otherwise instructed by the teacher or with permission.

First offense: Student will turn the phone into the teacher until the end of class.

Second (+) offense: Teacher will notify admin and based on number of offenses; they will advise on consequence (see school policy).
