1	So much information but so presented so well! I am excited!!!	11/2/2016 3:00 PM
2	Great presenter!!! Information was easy to understand and very applicable!	11/2/2016 2:58 PM
3	Great training. I learned many little things that will make both Office 365 Word and Haiku easier. I appreciated being able to "play" for much of the time.	11/2/2016 2:50 PM
4	Great technology information that can be used in the class	11/2/2016 2:48 PM
5	Great stuff, overwhelming, would love some "cheat sheets" posted for this training. :)	11/2/2016 2:48 PM
6	Linda did a great job sharing information. Would love time to work through programs with help and set up a class OneNote.	11/2/2016 2:47 PM
7	Excellent training! However, we ran out of time for Office Mix. :(	11/2/2016 2:46 PM
8	Geared toward people who struggle with technology. It would be nice to have an accelerate option for those of us who pick up tech quickly - we could get more done in a class.	11/2/2016 2:45 PM
9	It was overwhelming with the amount of information	11/2/2016 2:45 PM
10	Linda was a great presenter! I would have benefited from more hands on learning. Overall though, this was a helpful training.	11/2/2016 2:44 PM
11	I appreciate how adaptive the presenter was to the specific questions and needs of the group to ensure the information we got was applicable and timely.	11/2/2016 2:44 PM
12	Great quality	11/2/2016 2:43 PM
13	Learned so much about Office 365!	10/27/2016 7:53 PM
14	Everything was done very well. Explained in easy language for me to understand.	10/27/2016 7:51 PM
15	Nice format - I like doing training at Alta in the evenings!	10/27/2016 7:51 PM
16	Can you have a list of the apps to share or new ones that would be helpful in our development.	10/27/2016 7:50 PM
17	After the training I felt very encouraged on how to use the resources taught this evening. Linda and Mary were very helpful in demonstrating on how to use the programs. I love the share option and have already started using it!	10/27/2016 7:49 PM
18	The training was great! We learned how to share documents with one another and created a useful One Note page.	10/27/2016 7:48 PM
19	Love the fact that there was so much hands-on...gives more confidence to have the trainers present when actually trying things out for the first time.	10/27/2016 7:48 PM
20	Thanks for the hands on instruction!	10/27/2016 7:47 PM
21	Now that I have basic understanding, I would like to have additional time/training that would allow me to move towards full understanding. Mastery would be ideal.	10/23/2016 4:46 PM
22	Getting introduced to 365 and OneNote was very informative on how to get started using the new programs.	10/20/2016 2:56 PM
23	Instructors were very helpful and open to individual implementing ideas.	10/20/2016 2:49 PM
24	The quality of the training was helpful and the presentations were informative.	10/20/2016 2:48 PM
25	A LOT of information that I needed. Overwhelming but to no one's fault. lol. Great to have the time to learn and practice all of this new technology.	10/20/2016 2:46 PM
26	The training was informative, but it was too information in one day. I walk away frustrated when I'm quickly guided through a variety of technological resources, but not able to process, practice, and fully understand one or two of them well. :(	10/20/2016 2:42 PM

27	Very exciting to learn more about these amazing apps that Sean and Linda presented with expertise and return back to my classroom with new ideas for the betterment of my students.	10/20/2016 2:40 PM
28	The training was excellent, however I came in at such a low level of understanding of technology it was a lot of information to take in at once.	10/20/2016 2:40 PM
29	The information taught during this training set a great foundation in me learning about office 365. I am excited about using this technology in my class.	8/19/2016 11:22 PM
30	great quality!	8/10/2016 6:52 PM
31	Fantastic--the very best	8/8/2016 5:54 PM
32	It was great!	8/8/2016 2:20 PM
33	The trainers were very helpful and were able to answer questions that pertained to my grade level.	8/8/2016 1:50 PM
34	I really appreciated Linda's presentation of Sway, as I feel it will be fun to implement into my classroom this next year.	8/8/2016 1:11 PM
35	It was great!	8/8/2016 1:08 PM

1	Loved listening to your excitement!!	11/2/2016 3:00 PM
2	Looking forward to the full day on one note!!!	11/2/2016 2:58 PM
3	Thank you Linda you are superb!	11/2/2016 2:48 PM
4	Looking forward to more training. Thank you.	11/2/2016 2:47 PM
5	Need more trainings available.	11/2/2016 2:46 PM
6	Thank you! This training went by very quickly!	11/2/2016 2:44 PM
7	Great presentation!	10/27/2016 7:47 PM
8	I cannot wait to put these resources to work!	10/23/2016 4:46 PM
9	Need more time to explore the new 365 and OneNote, Sway, creating videos.	10/20/2016 2:56 PM
10	Completing the same workshop multiple times would be very beneficial. Each time I pull away with a little more. It would be difficult to master or even begin to use all of the modules from one workshop	10/20/2016 2:49 PM
11	There is so much information, it will take me quite a while to become good at the technology!	10/20/2016 2:48 PM
12	I would love to continue to have more time in future workshops to develop my ideas using these apps.	10/20/2016 2:40 PM
13	I cannot suggest any way to improve this Sean and Linda are super stars	8/8/2016 5:54 PM
14	Thank you!	8/8/2016 2:20 PM
