This year we observe Martin Luther King Jr. Day of Service on January 15. Dr. King is known for his leadership during the American Civil Rights Movement. His "I Have a Dream" speech highlights a world he envisioned with equal justice for all people under the law. On this day we recognize Dr. King's legacy of services while inspiring us to serve in our own way.

According to the Corporation for National and Community Service (CNCS), MLK Day is the only federal holiday designated as a National Day of Service. Americans are encouraged to spend this day volunteering to improve their communities.

CHALLENGE - FAMILY EDITION

At the heart of the Great Kindness Challenge is a simple belief that kindness is strength. During the Great Kindness Challenge, students have the opportunity to repeat kind act after kind act. As kindness becomes a habit, peace becomes possible. The Great Kindness Challenge is a grassroots movement that is making our schools, communities, and world a kinder and more compassionate place for all. Working together, we joyfully prove that KINDNESS MATTERS!
