Principal Wethers' Message:

Welcome back everyone to the second half of the school year. The students and staff come back from Winter Break rejuvenated and ready to finish out the school year strong. Our staff continues to attend trainings that provide insight on how to address the whole child and meet their academic and social/emotional needs. The next few months have various holidays, so please make sure to keep your calendars handy. Always check the Marquee and listen to the Sunday afternoon message for updated information. Thank you for all that you do to encourage our children to be kind to one another and do their very best.

During the next few months, we will continue to address positive attendance. Our district will be sending out a comprehensive brochure regarding different types of absences and what parents can do to ensure students do not end up in a chronic absence situation. Please take the time to read the information. We appreciate your support.

Happy New Year,
Mrs. Wethers
