Principal Wethers' Message:

Welcome back everyone to the second half of the school year. The students and staff come back from Winter Break rejuvenated and ready to finish out the school year strong. We continue to plan for opening the site as soon as it is safe to do so. Our staff continues to address the whole child and meet their academic and social/emotional needs while we remain in Virtual Learning.

The next few months have various holidays, so please make sure to keep your calendars handy. Always listen to the Sunday afternoon message for updated information. The first holiday is Martin Luther King Day on January 18, 2021.

During the next few months, we will continue to address positive attendance. Congratulations to students and parents. We were at 97% attendance during the month of December. Please continue to ensure students do not end up in a chronic absence situation. Feel free to contact the office if assistance is needed. We appreciate your support.

Happy New Year,
Mrs. Wethers

During the week of January 25-29th we celebrate the Great Kindness Challenge. At the heart of The Great Kindness Challenge is the simple belief that kindness is strength. We also believe that as an action is repeated, a habit is formed. With the Great Kindness Challenge checklist in hand, students have the opportunity to repeat kind act after kind act. As kindness becomes a habit, peace becomes possible. The Great Kindness Challenge is a grassroots movement that is making our schools, communities, and world a kinder and more compassionate place for all. Working together, we joyfully prove that KINDNESS MATTERS!

**THE TIME
IS ALWAYS
RIGHT TO
DO WHAT
IS RIGHT.**

~Martin Luther King, Jr.

In the month of January, we honor and celebrate Martin Luther King, Jr. Day, which falls on January 18th this year. Martin Luther King, Jr. was a civil rights leader who was integral in promoting peace, tolerance, and justice for all. His powerful oration throughout the 1960s helped lead to the passage of the Civil Rights Act of 1964, prohibiting segregation and discrimination.

In the spirit of the Great Kindness Challenge, let us continue to learn from Dr. King who said, "Life's most persistent and urgent question is: What are you doing for others?"

Coping Skill of the Month - Kindness

In recognition of the Great Kindness Challenge, this month's coping tool is kindness. More specifically, kindness to yourself. We often find ourselves engaging in negative, shame-based self-talk when we experience strong emotions. Instead, speak to yourself as you would to a friend - with loving, gentle kindness. Dear Parents,

I'd like to share our community service program which we provide to several elementary schools in our area! This is a program focused on character development skills needed to help mold your children into the future leaders of our community!

We are presenting this FREE Character Counts Program to your elementary school which will help your children to be better students and more disciplined, not only at home, but in school as well! All of our programs convey stranger awareness tips, bully prevention, NON-VIOLENT conflict resolution, and POSITIVE DISCIPLINE for all students. We always make sure to praise each and every student before we ever correct them, providing a safe environment for students to learn and grow at home, at school and everywhere they go!

This is DIFFERENT than a regular karate class held VIRTUALLY after school. This is an Educational Program revolving around, self discipline, respect, good manners, bully prevention and stranger awareness!

This program will consist of: 4 classes held every Monday after school via ZOOM for four weeks. Key Elements of this Character Counts Program include:

- **Lessons taught are primarily focused around respect, discipline and learning skills.**
- **The martial arts Portion of the program is focused primarily on communication skills and basic defense skills. Your students do not become abusive or use the skills offensively during these after school sessions.**
- **We will be emailing homework assignments that are character and discipline based.**

The most important lesson that your children will be learning is RESPECT!!!! Respectful behavior, good manners and self discipline are the building blocks of good leaders of our community!

A Special award ceremony will be held on Friday February 19th that way students can show off their skills to mom and dad and one lucky student will be awarded a \$100 gift card and a karate trophy for all their hard work!

Program Dates and times:

Monday January 25th @ 3:00pm

Monday February 1st @ 3:00pm

Monday February 8th @ 3:00pm

Monday February 15th @ 3:00pm
