🍟 📮 Principal Wethers' Message: 😈

Fall is my favorite season. The chill in the air is just starting in Murrieta and our children had to wear sweaters when they went out for Halloween. This time last year, we were not able to celebrate with our loved ones during the entire holiday season. It will be wonderful to return to our traditions of spending time with family.

We are looking forward to our students making gains in academics as they return to the routine of attending onsite. This is a time to truly support our students and teachers as they persevere towards the goal of academic excellence.

#### Our vision:

Creating community through achievement, leadership, and character

#### Our mission:

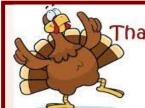

To develop leaders who value compassion, achievement, responsibility, and excellence

Our motto:

Red Tailed Hawks CARE Compassion Achievement Responsibility Excellence

During the month of November, take the time to remember who and what you are thankful for. Enjoy the moments with family and friends.

I am thankful for my staff, students and parents. Mrs. Wethers

# S O Thankful

It is good practice to take a moment and list things and people you are thankful for. Sometimes in the hardest moments, shifting our mind to make a list of things we are thankful for can soften those hard moments. There is power in being thankful. I encourage you to take a minute to talk with your children, your family and talk about one thing and one person you are thankful for. I sure am thankful for each family, staff member and student here at Alta. Doing school life with you all is one of my favorites!

## Cultural Awareness

National Native American Heritage Month celebrates and recognizes the accomplishments of the peoples who were the original inhabitants, explorers and settlers of the United States. Both law and proclamation recognized the Native Americans as the first inhabitants of the lands that now constitute the United States as well as making mention of their contributions to American society: Many of the foods we eat and the medicines and remedies we use were introduced by Native Americans. Many highways we have today follow a Native American trail. Native Americans make contributions in every area of endeavor and American life, and our literature and all our arts draw upon Native American themes and wisdom.

Countless Native Americans have served in our Armed Forces and have fought valiantly for our country. We recognize the contributions and influence of Native Americans to the history, culture, and achievements of the United States.

WE WOULD LIKE TO THANK ALL OF OUR VETERANS!

YOU ARE INCREDIBLY VALUED AND WE ARE SO GRATEFUL FOR YOUR SACRIFICE

AND SERVICE TO OUR COUNTRY!
