### **Project Summary and Objective**

The purpose of this project is to provide a safe learning and working environment for the Murrieta Valley Unified School District staff and students. We need to upgrade the path of travel from the parking lot to the new building as specified in the DSA approved CCD. This is a Public Works project; Prevailing Wages and Payment & Performance Bonds will be required. Furthermore, the lowest, responsive and responsible bidder will be required to be registered with the DIR and a project registration number will be provided.

## **Project Scope of Work**

- As specified in the DSA Approved CCD.
- The contractor shall be responsible for removing/disposing in a legal manner all debris and packing materials from the job site.
- The contractor shall be responsible for temporary bathrooms facilities for its employees during construction.
- The contractor shall exercise care so as not to damage the existing grass, walkways or other Murrieta Valley Unified School District property during the performance of its contract.
- The contractor shall repair or replace any damaged grass, irrigation components, concrete, asphalt or other components should damage occur during construction.
- The contractor will be responsible for underground scanning of the site.

## **Project Schedule**

- June 16, 2025 – July 25, 2025

## **Dimensions and Measurements**

- All dimensions and measurements are approximate and should be verified by an onsite inspection. However, responsibility for verification by whatever means is necessary in the opinion of the bidder is their responsibility. Bidders will not be allowed to increase prices based on failure to confirm actual square footage, obstructions or other conditions.
