Failure to acknowledge will subject the Bidder to disqualification.

Question

Understanding that there is inside deliveries to school sites. Do these pallets need to be broken down or can we simply deliver the pallet the location with a pallet jack to the specific location at the school site?

Answer

A single pallet (or more) may be broken down and delivered to up to 6 different locations at a school site. Per the request of the school site a pallet can be broken down and delivered to multiple copier rooms or storage rooms.

Respectfully,

David Ciabattini, Director of Purchasing
