

## **Tovashal's Library Birthday Book Club is Back!**

Did you know you can donate a new or gently used book to our school library for your child's birthday or a birthday of a special loved one? A bookplate with the student's name and birth date will be placed on the front cover of the book to acknowledge our appreciation of the donation.

Birthday Book Club donations will be announced on the first Friday Flag of each month. Birthday students will be called on stage and presented with a birthday pencil and a big birthday shout out! For book ideas, please visit our school website, go to the Library page and click on our Library Wish List.

Thank you for considering a donation to help build our school library collection!

Thank you,

Mrs. Glendinning
