WSMS 8th Grade Behavior Contract

04/07/2022

I, _____, understand the importance of making good choices for the remainder of the school year because my choices will determine my participation in all the end of year activities. All 8th grade students attended an assembly or met individually to discuss end of the year expectations and requirements.

*I know that Mr. P and school Administration have addressed all the 8th grade students prior to end of the year promotion activities and made it very clear that we need to be making good choices for the remainder of the school year.

*It has been made clear that I need to keep my grades and GPA up and not have any failing grades in core classes. 1 or more F's can also revoke some or all end of the year activities.

****By signing this form, I am aware that I have received my 1st strike, Parents/caregivers will be notified and if continue to accrue strikes, I may not be allowed to participate in any of the end of the year activities, including Promotion Ceremony.***
