Welcome letter from our Principal

Dear Wildcat Families,

I'd like to welcome you to the 2020-2021 school year! This year is going to go down in the history books as either, one to remember or one to forget! We, at Warm Springs, appreciate the opportunity to work with your children whether virtually or on campus. Our goal is to help instill all the necessary skills needed to promote into high school with confidence and purpose. I have been super pleased with how the start of the new school year is going. I am looking forward to all the great things instore for the students when they are able to return to campus.

In this issue:

- Principal Letter
- WSMS Technology Helpdesk
- Library Resources
- Virtual Offices
- PTSA

As a reminder, student attendance and participation is important. Our staff and I cannot thank you enough for your patience, understanding and support over the past three weeks. Without you none of this virtual platform would even be possible (hang in there!) I urge you to log into our school website for updates and technology support.

Every Tuesday and Wednesday, our [Wildcat Den](#) is available for in person student/family support under the outside solar panels across from the administration building (in the front parking lot).

As always, please feel free contact the school if you have a question, concern, or just want to say hi!

Go Wildcats! Go Big Blue!
