

Learn@Home

Personalized Academic Options for all Learners

TK-5th Homeschool ● 1st-8th Virtual ● 6th-12th Online Independent Study

TK-5TH HOMESCHOOL

Designed for families who prefer a flexible, parent-led instructional model. This option provides MVUSD award winning programs and services with the support of educational experts.

- District provided curriculum.
- One-on-one coaching support with district credential teachers.
- Opportunity for in-person activities, field trips, and labs.
- Self-paced with guided resources.
- Learners participate in academic assessments for progress.
- Counseling supports available.

1ST-8TH VIRTUAL

A learning option led by a credentialed teacher with daily synchronous instruction. This model blends the best elements of an on-campus experience with opportunities for social interactions and structured online learning.

- Teacher led daily scheduled instruction.
- Online structure.
- Opportunity for in-person activities, field trips, "Fun Fridays" and student celebrations.
- Learners participate in academic assessments for progress.
- Counseling supports available.

6-12TH ONLINE INDEPENDENT STUDY

This self-paced program is designed for students in grades 6-12 with the ability to meet their academic goals using district provided online tools. Students are assigned a credentialed teacher/s for academic support and oversight.

- Student led online structure.
- Co-enrollment opportunities at MVHS, MMHS, and VMHS for athletics, courses or activities.
- Transferrable middle and high school requirements are met.
- Learners participate in academic assessments for progress.
- Counseling supports available.

Learning Beyond A Classroom

“ From the initial phone call to the equipment pick-up and training about how to use everything- my experience with Learn@Home has been **SMOOTH, DELIGHTFUL, and POSITIVE.** The staff and teachers are committed to having my student succeed. The communication is exceptional.

-Shanelle T., Parent of 6th Grade Student
