Buchanan Blazers Ultimate Reading Challenge

Hi Families!

Our Ultimate Reading Challenge is here! Our Blazers are going to read like never before because they're going to use their devices to play a reading comprehension game! Your readers will be paying close attention to the books they're reading, since they earn "comprehension coins" for every correct answer at the end of each "spoonful" of reading. SpoonRead makes reading a game your kids will love to play, and more importantly, it's safe during this challenging time because it is 100% virtual! To sign up, all you need to do is follow the instructions below in order:

GETTING STARTED IS EASY!

1. Register to create an account at: parentclub.spoonread.net
2. Add your child to **Buchanan Elementary (State Zip: 92563)**, then assign your reader(s) to the right teacher.
3. Then, purchase a book (or more!) from the SpoonRead online bookstore
4. Once purchased, go to the bookshelf, find the title and assign the book to the reader
5. Go to your app store to download SpoonRead to the mobile device your child will be using.
6. Log in to the SpoonRead app using the same information you used when you created your parent club account OR by giving your reader their code that was sent to your email (the code is also available in the parent club under the reader's icon.)
7. Now your readers can select the title they want to read. Slide to the title and select "START READING".
8. BEGIN READING & RAISING MONEY FOR YOUR SCHOOL!

Neighborhood Forest

giving trees to children

Dear Parent,

We are celebrating **Earth Day** this spring by participating in the **12th Annual Neighborhood Forest free tree program**, whose aim is to provide free trees to kids every Earth Day.

Since 2010, Neighborhood Forest has reached over 60,000 families and planted over 30,000 (mostly urban and residential) trees through the hands of children and parents across North America.

We endorse this project and are excited to be participating in this wonderful program that teaches kids stewardship through the magic and wonder of planting and watching trees grow.

Please fill out the following online registration form by March 19th and receive a free tree (6-12 inches in size) during Earth Week (April 22-30).

Trees will be delivered to us and we will arrange to get the trees in the hands of your children on or around Earth Day (April 22nd).

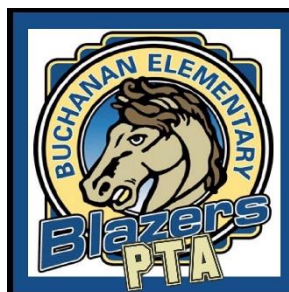

Planting instructions and species information will be emailed a few days prior to the trees arriving.

Register to receive a free tree for Earth Day to plant with your child:
