

Monte Vista families,

You can reserve a maximum of two (2) books for a check-out period of 2 weeks. Since you are not able to browse the shelves, you will browse the virtual library. Students will place their selected books on HOLD and I will pull those books on your behalf. If you have books checked out from the current school year 2020-2021, you must return those books before checking out new books. If you currently have books due to the library from last school year 2019-2020, please return those books ASAP otherwise you may check out one (1) book per 2-week period.

If virtual or hybrid, your students can pick up their books weekly on Monday 12-2p. All HOLDS must be placed by Friday 12p. Confirmation emails for books that are ready to be picked up will be sent out Friday afternoon. If your student is hybrid, the books will delivered bi-weekly to their classrooms. Please see Letter from the Library for details.
