Q. What about inclement weather?

A. Parents are advised to check the MVUSD Transportation for alternate stops.

Q. When I am at the bus stop with my child may I walk them across the street without the bus driver's assistance?

A. NO! California Law dictates that all students' grades TK - 8 SHALL be escorted by their bus driver if they need to cross the street, even in the presence of the rider's guardian. (Vehicle Code 22112). MVUSD practice is to escort all students TK – 12 who must cross the street.

A. WAIT for the driver to escort the student across the street.

Q. How are bus routes determined?

A. Routes are designed for safety, efficiency, and conservation of time.

A. "Compartmentalization." Children are contained within a structurally reinforced passenger compartment of fully padded, high back seats and crash barriers.

Q. Will my elementary school student be dropped off at the bus stop even if I am not there?

A. Only Preschool & Kindergarten students are required to have a designated person at the bus stop to receive them. Riders in grades 1-12 do not need to have a designated person receive them at the bus stop.

A. Your student's driver will return your student to school, and you will then need to pick your child/ren up from school.
