**Ms. Rebecca**

Hello, my name is Rebecca. I am the teacher in room 5—children ages 12 months to 22 months. I have employed with M.V.U.S.D. for the past six years. I enjoy my job a lot!!!

Providing a loving rich environment to each child and their family is very important to me and I love doing it. I have two children of my own. Devin who is 21 and Triston who is 15.

I have my B.S. in Human Development and plan to continue my education real soon to receive my teacher credential and earn my Master Degree.

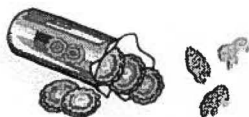

I look forward to many more years here at the Child Development Center working for Murrieta District and feel rewarded each day that I get to spend with the children.
