## DEN REPORT

We are well underway to an amazing school year! Our PTA Family Movie Night included our school resource officers, amazing high school volunteers who helped throughout the night as well as the great support from Cinema Under the Stars who's production team hosted the night.

As we move forward, we need help PLANNING events, then our wonderful volunteers basically take over and run the event on the day. Please come forward with your ideas and resources to make these events for our KIDS amazing!!

Are you interested in volunteering from home? We have some data entry that needs to be done within Google sheets. Email PTA for details.

Are you interested in joining our PTA board? We could use the help!! Everyone on our board works full time, so just a little bit of help makes the load lighter and keeps our kids engaged 🍀

## REFLECTIONS

I am hopeful because...

Every year the National PTA offers a program called Reflections that provides opportunities for recognition and access to the arts which boost student confidence and success in the arts and in life.

Reflections entries are due to our school PTA on **October 20, 2023**. You still have time to create an original work of art to enter into the PTA Reflections Competition.

For questions or details please contact PTA.
