MESSAGE FROM THE PRINCIPAL

Dear Bronco Families and Students,

I hope this message finds you well as we move through a busy and exciting season here at Vista Murrieta.

I'd like to remind everyone that 12-week progress reports are now posted. With just six weeks left in the semester, it's a great time for families to sit down with their students, reflect on their progress, and set goals for a strong finish. Having open and supportive conversations can make a big difference in helping students stay on track and feel confident.

Next Thursday is a special night for our community: **First Semester Culture Night!** This is an opportunity to gather together, enjoy good food, and celebrate the diversity that makes our campus so unique. We hope to see as many of you as possible—families, students, and friends—to help make this night truly memorable. Please mark your calendars and plan to come celebrate with us.

As we head into a three-day weekend, I want to take a moment to thank all of our veterans for their service and sacrifice. We are deeply grateful for everything they've done for our country and our community.

Wishing everyone a wonderful weekend filled with rest and connection. We look forward to welcoming our Broncos back to campus on Tuesday!

Kind regards,

Mrs. Scallion

Principal

Woolpert, the consultant leading the attendance boundaries redistricting committee, invites the community to review conceptual maps outlining proposed changes to school boundaries. These changes could impact the school assignments for various neighborhoods. This public unveiling of the map options is a community engagement opportunity before the final maps are presented to the Board of Education for approval in February.
