MESSAGE FROM THE PRINCIPAL

Dear Bronco Families,

What a great week it has been at Vista Murrieta High School!

We are thrilled to share that 23 of our incredible teachers were nominated for the prestigious Crystal Apple Award. It was inspiring to hear the heartfelt nominations and stories from our students—your voices matter, and your appreciation reminds us why we do what we do. Thank you for celebrating the impact of our educators in such a meaningful way!

This week, we also had the honor of attending the Riverside County Office of Education Academic Awards, where we celebrated the outstanding achievements of several of our senior students. We are so proud of their dedication, excellence, and commitment to making the most of their high school journey.

Prom tickets remain on sale through next Tuesday, so don't miss out! Please remember, students must be in good academic standing, which means passing all required courses to purchase a prom ticket.

We are celebrating the completion of state testing! Our juniors showed true tenacity and grit in reaching this important milestone and we are incredibly proud of their hard work and focus. Please note that state testing scores will appear on official school transcripts, so encourage your student to take pride in this accomplishment.

As we head into the final stretch of the school year, it's more important than ever for students to stay on top of their grades. 12-week progress reports will post next week. Parents, please double-check your Canvas notification settings and ensure you have access to the Aeries Parent Portal. If you have questions or need assistance, please call us at 951-894-5750. Staying informed helps support meaningful conversations at home about academic progress and success—and remember, we're here to help every step of the way.

Attendance matters! Every day of instruction is valuable. Please ensure your student is at school and on time each day. Our next school holiday is Memorial Day on May 26, so let's finish the year strong. Every day is a missed opportunity.

There has recently been some buzz about an off campus non-school sponsored student activity on Monday April 28th. This is not an officially school sponsored function nor is it an excused absence.

The last day to support deployed service members through [MilVet Collection](#) is Monday, April 21. We appreciate your help!

As always, we wish all our Bronco families a restful weekend and we look forward to welcoming our students back to The Ranch this coming Monday. Happy Easter!

Kind regards,

Mrs. Scallion
