UPCOMING EVENTS:

- September 28:**
 Senior Preferred Parking
 Paint Day
- 10/2: ASVAB**

MESSAGE FROM THE PRINCIPAL

Dear Vista Murrieta Families,

As the weather begins to cool, I hope you are all enjoying the welcome change in temperature. It's a wonderful time of year as we settle into our school routines and work toward the goals we've set for the semester.

I want to remind you about our Parent Night coming up on Monday, September 23, from 6:00 PM to 8:00 PM. This is a great opportunity to connect with your students' educational program and learn more about what lies ahead in the school year for all grade levels.

Additionally, we are in the process of preparing progress reports. Once they are ready, we will send a notification via ParentSquare so you can review your students' grades. Please keep in mind that these are progress reports, designed to provide a snapshot of how your students are doing so far. This is an important marker to help guide next steps and adjustments as we continue through the semester.

As always, we are here to support you and your students. If you have any questions or concerns, don't hesitate to reach out.

Have a safe and wonderful weekend, Broncos!

Kind regards,

Mrs. Celeste Scallion
 Principal
 Vista Murrieta High School

HERFF JONES  BY YOUR SIDE.

A NOTE ABOUT ATTENDANCE

Dear Bronco Families,

This first month of school has been amazing! The energy and buzz in the air as the new school year progresses is truly something special.

September is a great time for us to set new goals and establish what we hope to achieve together as a school community.

This year, Superintendent Dr. Andrus has challenged us to recognize and harness the Power of a Moment. Every day students experience little moments that can make a lasting impact on their educational journey. It could be an "ah-ha" moment while reading a story; a confidence boost while solving a math problem; or simply making a new friend on the playground. These moments are a part of our daily school routines, and they make a huge impact when students attend school every day and on time.

We are putting a big emphasis on good school attendance, which corresponds with September as the National School Attendance Awareness Month.

Research unequivocally shows that students who are present each day are better equipped for both academic success and life beyond the classroom!

If you would like to further discuss or if you would like our school counselor to connect with you on resources to support getting your child to school, please call us. We encourage you to visit our district website for more information on attendance including guidance when your child is ill.

If you would like the convenience of responding to an absence via text, we highly encourage you to download the Parent Square app from the [App store](#) or [Google Play](#).

Looking forward to this year,
Celeste Scallion
Principal, Vista Murrieta High School
