## MESSAGE FROM THE PRINCIPAL

Dear Bronco Families,

What a busy and productive week we've had on The Ranch!

I hope you're as excited as we are about all the positive energy on campus.

Six-week progress reports have been updated in the Aeries Parent Portal for your review. Please take a few minutes to go over your student's progress and discuss their plans for continued success as we move through the semester.

This week, our junior students had individual counseling appointments to review their academic plans, making sure they're on track for the year and adjusting where necessary. It's great to see our students taking such an active role in their education and future planning.

We also held our Fall Sports Rally, and by all accounts, it was a hit! The school spirit was infectious, and it was wonderful to see our students come together to celebrate the start of the season. Additionally, students gathered in advisory groups this week to share valuable feedback on their school experience. We're excited about their solution-oriented approach and willingness to champion issues that will benefit all students. Their voices are critical to making Vista Murrieta a place where every student thrives.

This week is a bye for Bronco Football, but we're eagerly looking forward to seeing everyone back in the stadium next week as we host Chaparral. Let's keep that Bronco pride going strong!

As always, we wish all of our Bronco families a wonderful weekend and look forward to welcoming everyone back on campus next week.

Go Broncos!

Mrs. Celeste Scallion
