Creating individuals that are goal oriented, trustworthy, have a great work ethic, and are well educated are the most important factors in creating future leaders in the workforce and community.

CHAD MACDONALD
JV HEAD COACH

The *Vista Murrieta Wrestling Team* is a program that addresses these issues.

ZACK PATERSON
FROSH HEAD COACH

Through intense training sessions, mentoring, goal setting development, and constant academic monitoring, students develop the skills required to be successful in all endeavors. The young student athletes are then challenged throughout the year to maintain the utmost integrity, achieve academic and athletic success, and become better members of their community. Student athletes always follow the school motto of CLASS – Character, Leadership, Attitude, Scholarship, and Service.

BRYAN GONZALEZ
FROSH ASST COACH

JOEL KREUGER
FROSH ASST COACH

The *Vista Murrieta Wrestling Team* averages 100 student athletes from grades 9-12 every year and was the 2008 Riverside County Academic Champions for Wrestling, which is awarded to the wrestling program with the highest team grade point average in the county. During that same time period the program had numerous league placers in one of the toughest leagues in southern California, and 16 CIF placers in one of the toughest regions in the state, 4 state qualifiers, and 1 state placer. The program consistently sustains students with a GPA over 3.5 and some with 4.0 and higher, while maintaining our athletic accomplishments. At the end of the season, 2 seniors are awarded \$500 academic scholarships for college, one based on the highest team GPA, the other for the athlete that wins the coveted CLASS award.

The annual expenses that allow our program to keep providing these benefits to the student athletes at Vista Murrieta High School average \$15-20,000.

Tournament entry fees alone account for \$5000 per year and we currently pay out of pocket for 100% of our transportation. Our program also helps many low income families who don't have the proper means to fund their kid's food and water intake during the 12-14 hour long tournaments throughout the season. Our program also helps these families with their costs for the young athletes' spirit pack clothing and gear for the season.
