It's a NEW DAY! There's a NEW WAY for you to graduate and transfer faster than ever before. See a counselor for more information or visit [www.msjc.edu/AB705](http://www.msjc.edu/AB705) to learn how AB 705 can benefit you.

## GRADUATE & TRANSFER FASTER THAN EVER WITH AB 705

**What's Old**

- Placement tests that didn't do a good job of properly placing students into their correct Math and English classes.
- Below college-level Math and English courses delayed students from reaching their graduation and transfer goals.

**What's New**

- No more placement test for Math and English. Almost all students are now placed directly into college and transfer-level courses.
- More classroom support is available for your Math and English classes. Concurrent support courses will be offered and recommended to help students develop the skills and knowledge needed for success at the transfer-level
- Taking Math and English as you enter or return to college is key to your success. Our goal is to support successful completion of college-level Math and English in your first year.

**Placement and Proctoring Centers:**

<b>San Jacinto Campus</b> Building 1200, Room 1210 (951) 487-3310	<b>Menifee Valley Campus</b> Room 1014 (951) 639-5310
