Eligibility for annual stipend determined by job description requirements. Annual stipend paid as applicable: Master's \$600 & Doctorate \$1000.

Employees must work 75% of a work calendar year in a fulltime position to be eligible for step advancement. An additional year shall be defined as having worked in a paid status full-time for a minimum of 75% of the specified duty days. Management employees who work part of a school year shall be given prorated years credit. When such credit accumulates to 75% or more of a full year of service the employee shall be advanced one step on the next school year's salary schedule at the beginning of the next fiscal year. However, no employee can earn more than one (1) year of service credit in any school year. The basic work year for management personnel who works less than 245 days will work in accordance with the "Duty Days" column. DUTY DAYS: Days worked during the work year are expected to be prioritized and used at the time of greatest management need, normally while schools are in session. Employees must fill out a duty day calendar prior to the start of the work year. LONGEVITY: Longevity within MVUSD will be provided; 2% after 9 years of service, an additional 2% after 14 years of service, and an additional 2% after 19 years of service will be added to base salary. CRITERIA FOR PLACEMENT: Individual placement is dependent upon prior position and salary range. Note: Each management employee must work one year in each step after initial placement to move to the subsequent step. Ex. An employee with 10 years of service but currently qualified at Step 6, must complete one full year at Step 6 and one year at Step 7 prior to earning a longevity step.
