

4th Grade Supply List

Dear Families,

The following is a list of supplies your fourth grade team recommends. Please place your child's name on any personal items starred below. There is no need to label classroom/community items.

They should have for personal use:

- Expanding file, 6-pocket ★
- A small pencil/supply pouch (not a supply box please) ★
- 1 - Composition book (black and white), standard size (9 ³/₄ in. by 7 ¹/₂ in.)
- 3- Spiral notebooks (single-subject), **8 1/2 in. by 11 or larger** (This is not the standard size, but larger...they are often on sale this time of year!) We need at least one larger sized spiral notebook for math.
- Wide-ruled lined paper
- Pencils and hand held pencil sharpener ★
- 2 Expo markers (black)
- 4-6 glue sticks

We'd also like them to have for personal use:

- Colored pencils (12 or less)
- Crayons (24 or less)
- Scissors (Fiskars, student size) ★
- Reusable plastic water bottle ★
- Correcting pen, not black or blue
