

Halloween is Fun!

Halloween is fun!

Carve your pumpkin, make it right.

No black cats to scare tonight.

Great big moon shining bright! Halloween is fun!

Zombies walk to the beat.

All they want, is a treat! Halloween is fun!

Ghosts fly in the sky.

With some bats flying by. Halloween is fun!

Carve your pumpkin, make it right.

No black cats to scare tonight.

Great big moon shining bright! Halloween is fun!

Halloween is fun! (Slows Down)
