

# Up Down Left Right

Perform with movements and recorders.

Up down left right, I'm going use my sticks\* just right!

Up down left right, I'm going use my sticks just right!

Play the sounds, on the beat.

Use your hands, or your feet.

Keep it even, as you go.

Use your ears, and let it flow!

Up down left right, I'm going use my sticks just right!

Up down left right, I'm going use my sticks just right!
