He thanked Dr. Scheer, Pat Kelley and Stacy Coleman and their staffs for their compassion and dedication to students, staff and programs.

Kathy Ericson, Vice President of the Murrieta Teachers Association (MTA) reported that Murrieta teachers overwhelmingly voted to accept a 5.28 percent salary reduction for the 2011-2012 school year which equates to 10 furlough days. She commended teachers for stepping up during these difficult times.

Superintendent Scheer reported on various projects underway throughout the district. He indicated that the Operations staff is working on proposals for the solar energy project. The Transportation Department is looking into the possibility of transitioning some of the district's school buses to CNG (compressed natural gas) alternative fuel at a reduced cost. The district-wide computer replacement project is going well. Construction trailers are in place at Murrieta Valley High School as they begin the renovation project at Murrieta Valley High School. Dr. Scheer noted that only dedicated funds were used on many of these projects. He shared that Education Services is looking at on-line courses and is excited that Rail Ranch Elementary School will be transitioning to a K-6th grade school beginning with the 2011-2012 school year.

She noted that no district funds will be used to attend the conference and looks forward to bringing back information to share with the Board.

He indicated that year's one-day event is scheduled on July 30th and will be once again sponsored by J.C. Penney's. He congratulated student Garrett Smedley for his poise in addressing the Board and commended his parents for their support.
