## General Announcements:

### Ultra Fun Run:

The Ultra Fun Run is quickly approaching! Thank you to all of you that have been sending out text and emails to family and friends to help support this fundraiser. Last year PTA raised enough money to fund field trips, assemblies, movie night, The Country Fair, and more. We hope to be able to continue to have more of these fun events with the money raised this year. We welcome parents/guardians to come cheer on your child when their grade level participates in the run. As it gets closer, the teachers will communicate the times the grade level will be running.

### Watch D.O.G.S

We hope to see lots of fathers/father figures at our Watch D.O.G. meeting on Tuesday evening!

### Parent/Teacher Conference Week

This is a bit early, but we understand how busy everyone is, so we want to make you aware of conference week because every day that week is a minimum day. Having students get out early allows for teachers to meet with parents/guardians in the afternoons. The Minimum Day Schedule is different than Early Dismissal Days. Please plan accordingly for conference week.

### Week of Oct 17-21 School Schedule:
