2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

Alta Murrieta Elementary School is a four-time recipient of the esteemed California Distinguished School award and recently named as a Special Olympics, National Unified Champion School. Our school serves students in grades TK through five. We firmly believe in the potential for all children to excel academically and foster a lifelong passion for learning. Every student participates in a comprehensive instructional program that emphasizes individual growth, academic advancement, cultural literacy, and responsible citizenship. Our dedicated staff members work tirelessly to equip each student with the necessary skills to navigate life's challenges, exhibiting traits of mindfulness, integrity, grit, honesty, teamwork and a commitment to intellectual and personal excellence. The active involvement of parents and the surrounding community, in conjunction with

2024-25 School Description and Mission Statement

strong and positive school leadership forms the backbone of our commitment to educational excellence. The guiding principle of our school is "Pursuing Excellence," signifying that the pursuit of excellence is not an ultimate destination, but rather an ongoing journey. We firmly embrace a Growth Mindset, recognizing that despite our impressive academic achievements, there is always room for further growth. Our teachers diligently implement the California Content Standards, incorporating the latest educational research, district curricula, and student assessments to ensure the continued success of our robust educational program. - Cassandra Caldwell, Principal

Highlights & Achievements

- Alta Murrieta is the only elementary school in Murrieta that was honored in 2024 as a Special Olympics, National Unified Champion School. This national banner recognition is for our efforts to provide inclusive sports and activities for students with and without disabilities. We have met national standards of excellence in the areas of inclusion, advocacy and respect.
- Alta Murrieta was designated as a 2018 California Distinguished School, one of three schools in the Murrieta Valley Unified School District to receive this honor.
- Alta Murrieta Elementary School implements a Multi-Tiered System of Support (MTSS) that facilitates all students receiving the academic, behavioral, and social-emotional support they need
- Alta Murrieta is a 2024 Positive Behavioral Interventions and Supports (PBIS) Silver Implementation Awarded school.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Alta Murrieta Elementary School opened in 1989 as the third elementary school in the Murrieta Valley Unified School District. The school has 48 classrooms, two multipurpose rooms, a library, three computer labs, administrative offices, cafeteria, staff lounge, art room, and two play areas (one for kindergarten students and one for students in grades one through five). Childcare facilities for students in transitional kindergarten through grade five are located on campus in a separate room. At certain times during the school year, the school may be at or near capacity. When that occurs, new students may be assigned to an overflow school in the district where classroom space exists.

School Facility Conditions and Planned Improvements

The district's Facilities and Operational Services Departments provide upkeep, maintenance, and cleaning services. Schools and restrooms are cleaned daily, and the principal works with the custodial staff to ensure a clean and safe school. Graffiti is removed as soon as it is discovered. District maintenance staff picks up litter and maintains landscaping on a regular weekly schedule. Corrective and preventative maintenance are scheduled on a routine basis to keep the school in good repair and working order. Work order requests assigned through a computerized work order system ensure that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Our school community is intentional about partnering with families to foster authentic engagement and gather meaningful feedback on academic opportunities, behavioral health supports, enrichment activities, and school connections.

At the district level, parents have numerous opportunities to get involved. These include participation in several parent advisory groups, such as the African American Parent Advisory Council (AAPAC), Latino Parent Advisory Council (LPAC), District English Learner Advisory Council (DELAC), Special Education Parent Advisory Council (SEPAC), and the Career Technical Education (CTE) Advisory Board. In 2024, all district parents were invited via email to register for one of five Superintendent Advisory Councils. To maximize accessibility and participation, all district-level parent advisory group meetings are conducted in a hybrid format, offering both in-person and virtual attendance options. In addition to these district-level opportunities, each school site provides site-specific avenues for parent involvement. These include School Site Council (SSC), PTA/PTSA/PTO, English Learner Advisory Councils (ELAC), and daily volunteer programs such as Watch D.O.G.S. (Dads of Great Students), activity boosters, classroom and office volunteers, and event-specific volunteer initiatives. Schools also host events like Open Houses, assemblies, Friday Flags, visual and performing arts productions, and more to engage families and foster a strong sense of community.

2024-25 School Safety Plan

School safety is a top priority at our schools. Administrators, teachers, and aides closely monitor the campus to ensure a secure learning environment. Our school resource officers are readily available for immediate assistance if needed. All campuses are fully fenced and closed during school hours.

2024-25 School Safety Plan

Regularly scheduled Emergency Management safety meetings are held, involving site administrators, law enforcement, mental health providers, district security staff, and Murrieta Fire & Rescue. These meetings review and update safety plans and emergency procedures. Our School Site Council, composed of parent representatives and first responders, collaborates on reviewing and annually adopting a Comprehensive School Safety Plan. The plan undergoes final review in February by the School Site Council and approval by the Board of Education in March and is accessible to all staff and parents.

Staff have received Active Shooter Training from District Staff and the Murrieta Police Department. Throughout the school year, student assemblies and emergency drills address safety issues comprehensively.

MVUSD schools conduct regular evacuation drills aligned with the federal NIMS emergency system. Our Emergency and Disaster Preparedness Plan covers procedures for fire, flood, earthquakes, lockdowns, hazardous materials, disaster recovery, and student accountability. In emergencies, our computerized alert system powered by Parent Square immediately notifies families via email, phone, text, and app.

Each school maintains strategically placed video surveillance cameras, serving as deterrents and aiding investigations. The Raptor Visitor Management System screens all guests and volunteers through national databases and the Megan's Law sex offender registry. All MVUSD schools enforce a strict anti-discrimination policy prohibiting harassment based on race, gender, disability, religion, or sexual orientation.

Looking ahead to the 24-25 school year, safety enhancements include Parent ID Badges, expanding Raptor as an emergency management system, and partnering with the Murrieta Police on an e-bike safety and education course.

Fiscal Year 2023-24 Types of Services Funded

Our district offers programs and services tailored to meet the needs of our diverse student population and their families. These include robust academic options, office hours, and enrichment activities, many through the Extended Learning Opportunity Program (ELOP), as well as family-focused services like before- and after-school programs, athletic competitions, visual and performing arts opportunities, and mental health support.

Each school is staffed with high-quality teachers, administrators, and a dedicated support team, including a health technician, school nurse, attendance clerk, aides, special education experts, nutrition services, and a mental health team featuring a psychologist, social worker, and school counselors. School counselors focus on social-emotional development, offering guidance lessons and small group sessions on topics like social skills, anger management, grief, teamwork, conflict resolution, and positive support strategies. Additionally, each school has a military liaison to support families with military connections.

Professional Development

Murrieta Valley USD provides year-round professional development opportunities for all employees. In the 2024-25 school year, the district prioritized a strategic goal of “Professional Growth” for all staff. For the second consecutive year, significant emphasis was placed on expanding efforts in Professional Learning Communities (PLC), Inclusion, and strategies within MTSS and PBIS to maximize student success.

Teachers participate in monthly staff meetings that include training components, school community building, and enhanced communication at the site level. Additionally, they engage in two full professional development days annually, offering a blend of site-based and district-led training opportunities focused on current initiatives.

This year, the elementary team introduced the district’s first-ever "Ignite: Educator Conference" on one of the professional development days. The district also continued its Classified Management leadership training sessions and site leadership training series, covering essential topics such as student discipline, investigations, IEPs/504s and SSTs, school budgeting, safety procedures, and early childhood learning best practices.

New teachers benefit from the district’s Induction Program, which supports them in clearing their credentials through a rigorous and reflective learning process, guided by an MVUSD mentor teacher. Teachers new to the district also receive comprehensive training on key focus areas, district expectations, and procedures, as well as guidance on curriculum recently adopted for their grade level or subject area.

This table displays the number of school days dedicated to staff development and continuous improvement.
