

MURRIETA VALLEY
UNIFIED SCHOOL DISTRICT

MEDIA OPTIONS AND PERMISSIONS

The Murrieta Valley Unified School District (MVUSD) is proud of the many accomplishments of our students and staff. These accomplishments may draw the attention of newspapers, television stations, or other media who visit our schools to photograph or film students and staff during various activities.

MVUSD carefully screens any requests from outside groups to help ensure that students, their work, and accomplishments are highlighted in a responsible and appropriate way. In addition, MVUSD uses photographs and video footage of students and/or their names in district produced materials including printed publications (newsletters), video productions, website, and official district social media platforms to promote their achievements. These photographs and videos may also include displays of student work. These original works may include but are not limited to drawings, paintings, sculptures, musical compositions, recordings, and photographs.
