Community Service at Murrieta Valley High School is 40 clock hours of volunteer work. Students may not work for a family member or for money or for credit. This work must be completed for a non-profit organization that provides a service to the community. It can be for more than one organization. Colleges often look for students that have been involved in consistent long-term service with one organization. An adult overseeing the service must sign off the community service form. Sign below that you understand the purpose of community service.
