MESSAGE FROM THE PRINCIPAL

Greetings, Bronco Families.

Our Broncos are making us proud, as they embrace campus life and carve out unique opportunities that will make their time on The Ranch memorable!

Going forward, we will include links to [The Bronco News Network](#) episodes for the week, so that you can review upcoming campus happenings with your Bronco student. Parents can also use BNN's YouTube channel to view live streams for rallies, sporting events, and other special events on The Ranch.

Tutoring and intervention courses are in full swing to help students achieve the next level of success and close existing gaps. Please check the [Tutoring Schedule](#) and encourage your student to access the supports available.

This is a Bye Week for Bronco Football, as we gear up for our Homecoming Game against Temecula Valley next week.

The Homecoming Game is sure to sell out, so get your tickets through [Go Fan](#) and plan to arrive early! Gates will open at 6pm. As a reminder, outside food and drinks are not permitted in the stadium and students can not bring in bags, backpacks, etc.

We look forward to seeing everyone next week.

Kind regards,

Mrs. Scallion

WHY TAKE THE PSAT?

PSAT helps students determine what they need to work on most so that you're ready for college when you graduate from high school. It also tests the same skills and knowledge as the SAT. The PSAT also identifies AP courses that you have a good chance of passing with a 3 or higher on an AP exam.
