MESSAGE FROM THE PRINCIPAL

Greetings, Bronco Families!

Progress reports are now viewable in the Aeries Parent Portal. Please set aside some time to review your student's grades and discuss their plans for the next six weeks. The next six weeks will be very pivotal, as students complete the first semester.

As such, we are dedicated to supporting student success through Office Hours and tutoring. Please encourage your Bronco Student to meet with their teachers on Thursdays for make-up tests, homework help, and classroom support.

Our Administrative Team presented the Senior Culminating Project over the course of the last two weeks. All seniors are required to complete the SCP, which will be presented on February 5 and 6, minimum days. Pertinent information, support, and videos are posted on the shared Canvas page for senior students. Senior Culminating Project workshops will be provided during Office Hours to help students work through the graduation requirement, as we get closer to the due date.

This weekend marks the beginning of daylight savings time. Don't forget to set your clocks back one hour and enjoy a little extra sleep on Sunday!

As always, we are wishing everyone a wonderful weekend and look forward to seeing our Broncos back on The Ranch for a four-day week.

There is no school on Friday, November 10th, as we celebrate Veterans Day.

Kind regards,

Mrs. Scallion
