

C.P. Biology Fall Semester Textbook Homework Schedule

A few things about homework...

1. Homework is **not** accepted late.
2. All **questions** from book must be written out. (for M/C questions the *question* and the *correct* answer must be written)
3. Homework accounts for 10% of your overall semester grade
4. This is the *minimum* assigned homework → there may be more work assigned as homework
